ISSO
PRAWN CRAZY

FAMILIAR INGREDIENTS, LOCAL FLAVOURS, AND A FRESH *perspective*

Every dish at ISSO begins with a note of familiarity—Prawns caught off the northern tip of Sri Lanka, notes of exotic Chili, and the warmth of Island Spice.

Familiar ingredients turn into bold flavors; and fresh seafood becomes an expression of our enthusiasm for playing with island cuisine.

We're ready to feed you, surprise you and leave you yearning for your next bite of mouth watering Prawn.

Ayubowan and Bon appetite.
